<b>INFORMED CONSENT</b> <i>Find a competent member of the household. Read the greeting on the following screen.</i>	
Hello. My name is _____ and I am working for Kwame Nkrumah University of Science and Technology, and the Ghana Health Service. We are conducting a local survey about various health issues. We would very much appreciate your participation in this survey. This information will help us inform the government to better plan health services. Whatever information you provide will be kept strictly confidential	

and will not be shown to anyone other than members of our survey team.

Participation in this survey is voluntary, and if we should come to any question you don't want to answer, just let me know and I will go on to the next question; or you can stop the interview at any time. However, we hope that you will participate in this survey since your views are important.

I am going to ask you questions about your family and other household members. We would then like to ask a different set of questions to female members of this household who are between the ages of 15 and 49.

At this time, do you want to ask me anything about the survey?

011a. Provide a paper copy of the Consent Form to the respondent and explain it. Then, ask: May I begin the interview now?

Yes  
 No

<p>011b. Respondent's signature  <i>Please ask the respondent to sign or check the box in agreement of their participation.</i></p>	
<p>Checkbox</p>	<input type="checkbox"/>

WARNING: the respondent has not signed or checked the box, despite agreeing to be interviewed in the previous question. To conduct the survey, the respondent must sign or touch the checkbox.

*You may go back to obtain a signature or check the box or you should go back to the previous question to indicate the respondent does not want to be interviewed.*

010c. Interviewer's name: \${your\_name}  
*Mark your name as a witness to the consent process.*

010c. Interviewer's name  
 Please record your name as a witness to the consent process. You previously entered "\${name\_typed}."
