<b>INFORMED CONSENT</b> <i>Find a competent member of the household. Read the greeting on the following screen.</i>	\${available} = 'yes'				
010a. Hello. My name is _____ and I am working for the International Center for Reproductive Health in Kenya, in collaboration with the Ministry of Health and the Kenya National Bureau of Statistics. We are conducting a local survey about various health issues. We would very much appreciate your participation in this survey. This information will help us inform the government to better plan health services. Whatever information you provide will be kept strictly confidential and will not be shown to anyone other than members of our survey team. Participation in this survey is voluntary, and if we	\${available} = 'yes'				

should come to any question you don't want to answer, just let me know and I will go on to the next question; or you can stop the interview at any time. However, we hope that you will participate in this survey since your views are important. I am going to ask you questions about your family and other household members. We would then like to ask a different set of questions to female members of this household who are between the ages of 10 and 49 years. At this time, do you want to ask me anything about the survey?

010a. Ask: May I begin the interview now?
