<p>Hello. My name is _____ . I am here representing the Institut Supérieur des Sciences de la Population (ISSP) to help the government and communities better understand health services in the country. Now I will read a statement explaining this survey.</p> <p>Your facility has been randomly selected for this survey. We would like to ask you questions about family planning and other reproductive health services offered in your facility and look at your patient registry logs. Information about your facility will be used by healthcare organizations to improve family planning services or for studies on health services. The data collected on your property may also be analyzed by researchers. However the name of your facility will not be made public and all reports published by researchers using the data about your facility will only concern aggregated data and your facility will not be identifiable.</p> <p>We ask you to help us ensure the accuracy of the information we collect. If another person would be more able to answer some survey questions, please let us know and kindly introduce us to that person.</p> <p>You can refuse to answer questions that will be asked as many times as you want, and decide to stop the survey at any time.
