010a	<p>Hello. My name is _____ and I am working for the Ministry of Health and the School of Public Health of Kinshasa to assist the government and communities in knowing more about health services in Kinshasa and Kongo Central. Now I will read a statement explaining the survey.</p> <p>Your facility was randomly selected to participate in this study. We will be asking you questions about family planning and other reproductive health services and will ask to see patient registers. No patient names from the registers will be reviewed, recorded or shared. The information about your facility may be used by health organizations for planning service improvements or further studies of health services. The data collected from your facility will also be used by researchers for analyses. However, the name of your facility will not be provided, and any reports by researchers who use your facility data will only present information in aggregate form so that your facility cannot be identified.</p> <p>We are asking for your help to ensure that the information we collect is accurate. If there are questions for which someone else is the most appropriate person to provide the information, we would appreciate your introducing us to that person.</p> <p>You may refuse to answer any question or choose to stop the interview at any time. Do you have any questions about the survey?</p>
