<p>Hello. My name is _____ and I am working for Makerere University School of Public Health in collaboration with Ministry of Health and Uganda Bureau of Statistics to assist the government and communities in knowing more about health services. Now I will read a statement explaining the survey.</p> <p>Your facility was randomly selected to participate in this study. We will be asking you questions about family planning and other reproductive health services and will ask to see patient registers. No patient names from the registers will be reviewed, recorded or shared. The information about your facility may be used by health organizations for planning service improvements or further</p>
